FOR THE APPLICANT:

Please refer to the Audubon County Entrance policy for any other provisions. related to entrance installation or modification. Other things to consider:

Additional Entrance, Extension and Relocations: The applicant shall be responsible for 100% of the cost of pipe and construction.

Culverts: The culvert pipe shall be new DOT approved material and must be the minimum length and diameter specified on the entrance application. All culvert bands will be wrapped in an Engineering fabric

Installation: Installation may be done by a private contractor or the applicant. Site distance must be approved by the County Engineer's office. The County shall inspect all contractor and applicant work at no charge. Improperly installed drives shall be corrected by the applicant or by the County at the cost of the applicant.

Project Release: I hereby give permission to the Audubon County Secondary Roads Department to enter my property for the purpose of work to correct any deficiencies. The land owner and/or tenant will hold Audubon County harmless and will not claim any damages which may occur to the above property as a result of the bulldozing, excavating and/or other work to complete this project.

I agree with the provisions of the entrance application/policy and agree to pay any costs billed to me by Audubon County.
